1. Article XVII: Check-off

   Upon receipt of written authorization signed by each employee, the Employer agrees to deduct and remit union dues. (The rest of the first paragraph remains as in the current Agreement.)

   The Employer agrees to make monthly deductions of voluntary contributions authorized by an employee, to Service Employees International Union, Local 32BJ American Dream Fund (ADF). Such contributions are not conditions of membership in the Union or of employment with the Employer.

   The Employer agrees to deduct the Union’s monthly dues and ADF contributions from the pay of each employee from whom it receives written authorization, and will continue to make deductions while the authorization remains in effect. Monthly dues and agency fee deductions will be made from the pay for the second full pay period worked by the employee following the receipt of the authorization, and thereafter will be made from the second paycheck each month that the employee receives.

   The parties acknowledge and agree that the term “written authorization” as provided in this Agreement includes authorizations created and maintained by use of electronic records and electronic signatures, consistent with state and federal law. The Union, therefore, may use electronic records to verify Union membership, authorization for voluntary deduction of Union dues and fees from wages for remittance to the Union, and authorization for voluntary deductions from wages for remittance to ADF funds, subject to the requirements of state and federal law. The Employer shall accept confirmations from the Union that the Union possesses electronic records of such membership and give full force and effect to such authorizations as “authorization” for purposes of this Agreement.
The Employer shall maintain accurate employee information and transmit dues, deducted from employees’ paycheck to the Union electronically via ACH. The transmission shall be accompanied with information for whom the dues are transmitted, the amount of dues payment for each employee, the employee’s wage rate, the employee’s date of hire, the employee’s location, whether the employee is full-time or part-time, the employee’s social security number, the employee’s address and employee’s classification or provided through the Union’s Portal. The Union may provide any necessary training opportunity to the employer to facilitate electronic transmissions.
